SEVENTH YEAR.

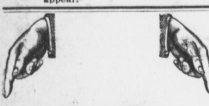

MAYSVILLE, KY., MONDAY, FEBRUARY 7, 1898.

ONE CENT.

STORY CIRCULATION
LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade and advertisements should be paid for, no matter in what part of the paper they appear.

1-3 OFF!

This means that we will sell, beginning today until the 15th of February, every Suit, every pair of Pants, every Overcoat (not a garment is reserved) in our house one-third less than the regular legitimate price.

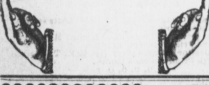

It is needless to tell you of the merits of our merchandise. No house in the state competes with us in style and quality.

We Handle Only the Highest Grades of Clothing.

Moreover, we never indulge in fake advertisements. You ask why this tremendous reduction in our prices. We answer, do you know that up to date we have not had a week's cold weather all this winter? We are stuck on Heavy Suits and Overcoats and for two reasons must unload. The most important is we need the money for thirty odd thousand dollars worth of clothing on hand. The other reason is our spring purchases are beginning to come in. It will take lots of room for them. Look in our windows and you will see what one third off means.

A striking instance of this is a 15c Turkish Bath Towel, 42x30 inches, at 9c. Towels of regular 15c quality, 9c; 30c quality 15c; 36c quality 19c. A heavy wide crash, bleached and unbleached, warranted made of pure flax, sold everywhere at 8c, our price 6c. A great stock of high-grade Linens at prices way below others. Some recent arrivals of latest fashions in our Fancy Goods Department. Pompadour Combs at 15c, Point D'Espirit Ties, good width and extra long, at 8c and upwards; Ladies' Silk Ties, dainty shades and nobly plaid, at 25c and upwards; extra special length, can be used for sashes, \$1.35. "The best way to get rid of a bad law is to enforce it."—General Grant.

It is safe to say that the Free-silver-ers of the Kentucky Legislature will not ask Senator LINDSEY to resign any more—that is, if it is safe to say that a Free-silver Legislature is capable of doing things that is not asinine in the 33d degree.

JUDGE HAGNER, in the Equity Court at Washington, D. C., has made a ruling of far-reaching importance, holding in effect that it is unconstitutional for Congress to appropriate money for sectarian institutions.

The Court granted an injunction restraining the Treasurer of the United States from paying to the Directors of the Providence Hospital any money belonging to the United States or the District of Columbia, in accordance with an agreement between the Commissioners of the District and the Hospital Directors, in regard to the erection of a building on the grounds of Providence Hospital.

PRESIDENT MCKINLEY, who seized the first opportunity to publicly express his disapproval of the proposition to pay the United States bonds in silver coin, finds himself cordially and earnestly upheld by the members of his party everywhere. The views of the Republican press, of the prominent Republicans in all parts of the country, and of the members of his party in Congress have been such as to thoroughly endorse his sentiments expressed in his New York speech, in which he said: "Nothing should ever tempt us—nothing will ever tempt us—to scale down the debt of the Nation through a legal technicality. Whatever may be the language of the contract, the United States will discharge all of its obligations in the currency recognized as the best throughout the world at the times of payment. Nor will we ever consent that the wages of labor or its frugal savings shall be sealed down by permitting payment in dollars of less value than the dollars accepted as the best in every enlightened Nation of the earth." Not only was the large proportion of the Republican vote in the Senate distinctly aligned against this proposition, but the action of the House of Representatives, controlled by the Republican party, by which it overwhelmingly rejected the proposition, shows that the party, whether speaking through its official hand, the President, or by its Representatives in Congress, or by its voters, as in 1896, is unquestionably clearly opposed to the dangers and dishonorable methods of finance which are again being offered by the men who are willing to sacrifice anything and everything for political success or the success of the party from which they expect political advantages.

THE BUYERS' GUIDE
Get the FISH!
Walk in, stumble in, fall in, get in in any old way—for your own sake get in the procession of your economical, close-buying neighbors, who are daily thronging our store. They know a good thing when they see it. Don't you be behind the times.

The War Is Over! And the wartime prices that you have been paying for furniture and implements have to go, for the Price Fighter is now in Maysville, Ky., and selling goods to beat the band on his famous 10 per cent. plan. Do you know what that means? We buy them right—assigned, bankrupt and overstocked factories always find us ready to buy their goods at 60c. on the dollar—we add 10 per cent. (that's our profit) then we sell them to you quick. Thus you are enabled to buy Furniture and Farm Implements of us at just about half what the other fellows ask you for the same goods.

A VALUABLE LESSON IN DISC HARROWS.
You have been paying \$26 to \$30, haven't you? Come to Winter the Price Fighter and get a fine Disc Harrow for \$19.50.

A LESSON IN LAND PLOWS
That means dollars to you. Your bills for plow points, mold boards, etc., have been enormous, haven't they? That's because the points on the chilled plows that you have been using were not chilled right. Only one proper way to make a chilled point, and "Vulcan" owns the patent. There is only one proper way to chill a mold board, and "Vulcan" owns the patent. The Vulcan Plow Base is chilled without the use of a pin, wedge or bolt. Think of it! We know men who have used one Vulcan Plow 7 years and worn out only two points. Vulcan Points are not made to wear out; they are made to last. Come in and get a Vulcan Chilled Plow, take it to your farm, give it a trial; if it doesn't suit you in every respect bring it back and we will refund every cent of your money that you paid for it. If there is a better plow than you have been using surely you want to know it, don't you?

FARM WAGONS.
There is a better Farm Wagon than you are using. It's made way down South in the woods where hickory is plentiful. They use only the first, or butt, cut of second growth hickory. The rest of the tree is sold to other wagon manufacturers. On the opposite mountain is an iron mine. Iron is plentiful and no cost for transportation. It is the best ironed wagon that you ever saw. Its name is the FLORENCE WAGON. We are just receiving a carload, all sizes and kinds. They are bought right, and you can bet that they will be sold right. For your own sake don't fail to see this Wagon before buying.

A Special Bargain in Furniture!

BEAT THE WORLD.
The Tariff Doesn't Destroy the Demand For Philadelphia Locomotives.

The British steamer Majestic has been chartered to carry twenty-two locomotives and a general cargo from Philadelphia to the Finland Government.

The locomotives are being shipped by the famous Baldwin Works.
The consignments consists of ten passenger and twelve freight engines.
At the Baldwin Works locomotives are being built for Norway, Japan, Africa and other countries which formerly got them from other places.

HOW TO FIND OUT.
Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stands in it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.
WHAT TO DO.
There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE LEXON and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Don't fail to place your "ad" in THE LEXON, if you want the most for your money.
One thing that attracts many people to Cincinnati to buy goods is the bargains that Cincinnati merchants advertise in the Cincinnati papers. Maybe Maysville merchants might keep some of this trade in Maysville if they would advertise bargains in the Maysville papers. Suppose you try THE LEXON.

Printers, like other people, have to beat—sometimes. That is, if they can get the material. But they can't get the material without money—unless someone gives it to them. Now, if you own this Printer, he will gladly accept a few country hams, a bushel or two of potatoes, or most any old thing that comes from the farm—and will give full credit at market price. Say?
